COMMERCIAL MOTOR VEHICLE OPERATION

DEFENSIVE DRIVING

Upon completion, students will gain valuable knowledge of and experience with a class A and B Commercial Motor Vehicle (CMV) and they will also be prepared to obtain a Commercial Driver License (CDL) for the class A CMV. The entire training consists of a single track of courses that include CDL Permit Preparation.

This National Safety Council DDC - 6/8 certified course is a comprehensive driver improvement program offering practical knowledge to avoid crashes with defensive driving techniques. Emphasis is placed on the application of safe, responsible and lawful driving behaviours. This course satisfies the mandatory traffic class for students with traffic violations.
